Central Vermont Home Health and Hospice (CVHHH) is a 105 year-old full service, not-for-profit Visiting Nurse Association governed by a local voluntary Board of Directors. Serving the residents of 23 Central Vermont towns in the comfort and privacy of their own homes, CVHHH is committed to providing high quality, medically-necessary home health and hospice care to all Central Vermonters regardless of their ability to pay, geographic remoteness or complexity of health care needs. The agency also promotes the general welfare of local community members with long term care and health promotion activities including flu and pneumonia vaccinations, health screenings, foot care clinics, international travelers' health and caregiver support. In addition to direct patient care, our hospice program offers comprehensive bereavement services and volunteer training.
