

Moretown Planning Commission Meeting Minutes
November 5, 2012
Moretown Elementary School

Present: Commission Members Jonathan Siegel, Chair; Rube Scharges, Karen Horn.

Jonathan convened the meeting at 6:30pm.

No members of the public were present and there was no public comment.

Jonathan reported that the zoning amendment should be adopted by the Selectboard as interim zoning. He will discuss that with the board.

Rube has reviewed the planning commission mail. He indicated that the Middlesex Plan is a very good example of a well put-together plan.

There being no other immediate business and members having other obligations, Rube made a motion to adjourn at 6:50 pm, which Jonathan seconded and was unanimously approved.

Respectfully Submitted,

Karen Horn
