

Dedication to Jonathan Siegel

Jonathan Siegel retired from the Moretown Planning Commission this fall, concluding a tour of duty that commenced in 2008 – when as he told us several times, he joined the planning commission to help Moretown develop a capital budget. Thirteen years is a long stint on a planning commission for anyone as the legislative mandates, bureaucracy, and minutia defining the work never cease to pile up. For someone whose purpose is to assure that planning and zoning – the source of so much esoterica – is comprehensible, fits the requirements for common sense, and works for residents and businesses at the same time that it defines and implements Moretown's vision as a welcoming community especially to young families with school age children and as a community ready to grow in a manner consistent with its rural nature, the task is monumental.

Jonathan is nothing if not tenacious! He chaired the planning commission for many years, including the last year and a half in the COVID-Zoom world. He re-focused our collective energy on the goals, was known to occasionally remind us of past pitfalls, and lamented the swirling weeds (see minutia and esoterica mentioned above) that so frequently threaten to wrap themselves around and completely immobilize planning commission members in any town. Planning commission is only one of the ways he has served Moretown and beyond: he also served on the town office committee, Moretown selectboard, Waterbury Ice Center and Mad River Resource Management Alliance boards. This is most certainly not a complete list. Today we thank him for his leadership of the Moretown Planning Commission and rest assured we will see him around!

Karen Horn Moretown Planning Commission

Town of Moretown Policy for Collection of Delinquent Taxes

The purpose of this policy is to establish clear guidelines so that all delinquent taxpayers will be treated fairly and will know what to expect.

- A. As soon as the warrant has been received, the tax collector will send a notice to each delinquent taxpayer indicating the amount of taxes, penalty and interest owed.
- B. Only payment arrangements that will pay the bill in full within 8 months of the due date will be considered. Special circumstances will be considered. If a past payment arrangement was not honored and a new one is granted, default on the new payment arrangement will lead to an immediate tax sale.
- C. Partial payments will be applied proportionally amongst the outstanding tax, interest and penalty payments due. If more than 1 year is delinquent, payments are always applied to the oldest delinquent tax year due.
- D. If the amount due is less than \$500 and no satisfactory payment arrangements have been made, or if the prior payment agreement has not been met, the tax collector can file a complaint with small claims court.
- E. If the amount due is \$500 or more and no satisfactory payment arrangements have been made, or if the prior agreement has not been met, the tax collector can begin the following actions to conduct a tax sale of the property or as much of the property as is necessary to pay the tax, plus costs and fees:
 - a. The collector will notify the taxpayer and all mortgage and lien holders of the tax sale decision, the date by which full payment must be received, and the costs to expect once the sale process begins.
 - b. If the deadline date has passed and full payment has not been received, the collector will proceed with a tax sale according to the procedures specified in 32 V.S.A. & 5252.
 - c. Costs of preparing and conducting the sale, including legal fees up to a maximum of 15% of the amount of the delinquent tax, will be charged to the delinquent taxpayer.
- F. Each taxpayer has a right to apply for abatement of property taxes based on any of the grounds listed in 24 V.S.A. & 1535.
- G. In the event that no one purchases the property at tax sale, or, if in the judgment of the tax collector, proceeding with the tax sale is inadvisable, the tax collector shall collect the delinquent taxes using any and all methods permitted by law.
- H. In the event that the Town of Moretown might grant money to a property owner with a delinquent tax balance, the Town will apply those monies to the payment of the delinquent tax balance, before releasing money to the property owner.

Craig Eilers Collector of Delinquent Taxes - Town of Moretown, Vermont amended 11/1/2019

Charles O'Davis Fund:

A perpetual charitable trust, the income is to be used from time to time by the selectmen or such other body as may be lawfully designated by the voters of said town for the aid of worthy couples, not less than 65 years if age, who have never been paupers and desire to live together.

If you and your partner are 65 or older and would like to apply, or if you know a couple you would like to recommend, please contact a member of the Select Board or Town Clerk. All nominations and applicants are anonymous.

2021 Select Board Report

2021 was another difficult year for everyone still dealing with the pandemic. Boards and Committees continually adapt to the virtual changes that came about in 2020. The Select Board would like to thank all employees for adapting to working conditions during the ongoing Pandemic. After a brief closure the Town Office resumed operation with a hybrid approach. Recent updates over the past few years have helped to prepare us for the digital age. The board resumed live meetings in June, that can be attended online as well.

A very special thank you to Jonathan Siegel for his 13 years on the Planning Commission. His passion and commitment to our community will benefit us for years to come. Another longtime volunteer, Steve Robbins has retired from the Recreation Committee. Steve was instrumental in resurrecting the committee and recent improvements on the trail systems reflect his commitment. Thank you, Steve.

The Town has received \$250,418 from the American Rescue Plan Act, thus far. The Select Board is working with the Planning Commission and the Finance Committee to determine the best course of action. In addition, prior to any large expenditure, a town wide vote will be held.

Construction is expected to begin this summer on the Storm Water Project. This project is located on the property surrounding the School and Town Office. This is being funded by a Clean Water Design & Implementation Block Grant for \$332,698, this is through the Mount Ascutney Regional Commision.

The Select Board would also like to thank the Town Hall Committee for their effort and energy that has been put into the future vision of the Town Hall. Lots of community outreach has resulted in a great project that we anticipate bringing to the voters in November. Look forward to more community engagements and informational meeting regarding the proposed changes.

Due to the lack of interest in the positions of Lister and Auditor, the Select Board has hired professionals to perform these duties. These positions have evolved over the years and the necessary skills needed to successfully perform the job have increased. The Legislature recognizes this and has given Towns the ability to eliminate these positions. Ballot question #9 addresses this-please vote yes.

The Select Board has also put forth an article to fund Law Enforcement-we have requested \$20,000 to negotiate a contract with the Vermont State Police or the Washington County Sheriff. In general, we live in a peaceful town, but maybe a police presence will help control the speeding.

Notable budget items: grader – after 7,000 hours the engine is showing its age, the engine will be rebuilt this year. Employee raises are larger than normal this year, numerous indicators led us to this decision – outstanding work and market conditions.

The Select Board would like to thank the Morefest Committee for putting on a great event. It was really nice to see so many families enjoying themselves. We look forward to another great one this year. Please bring back the baking contest, we love being the judges.

2022 plans continue to include: encouraging economic development opportunities; preservation, and improvement of our infrastructure.

Thomas Martin Select Board Chairman

TOWN CLERK AND TREASURERS ANNUAL REPORT FOR 2021

The Town Clerk is responsible for providing numerous services to the general public and residents of Moretown, in addition to attorneys, surveyors, appraisers and folks doing genealogies. The Town Clerk is further responsible for the maintenance, recording, indexing and storage of town records. These tasks are completed in a timely and accurate manner to ensure that the information required is available when needed.

The Town Clerk's office also records Moretown births, deaths and marriages. Vital records are available online: <u>https://www.healthvermont.gov/health-statistics-vital-records/vital-records-population-</u>

<u>data/birth</u> or you may request a copy through any Town Clerk in Vermont. You must complete an application for any death or birth certificate requested:

https://www.healthvermont.gov/sites/default/files/documents/pdf/HS_VR_App_Certified-Copy-Birth-Death-Form.pdf.

Due to fraud and identity theft on the increase and for the protection of the public, vital records will not be published in the Town Report.

Moretown 2021 vital statistics: 18- Births 17-Marriages 14- Deaths

<u>Vault update:</u> The Moretown Land Records search website is now live. You can access the website via our US Land Records portal (<u>www.uslandrecords.com</u>), choose Vermont from the State page, then choose Moretown from the town list. Having all of our "Land Records" online, allows attorneys, title workers, land surveyors etc., or yourself to have access to all documents needed during the year's pandemic and the future. This year we digitized more "town records" for safe keeping. We now having all tax bills and lister cards available online <u>https://www.axisgis.com/MoretownVT/</u>. All information that is not open to the public has been redacted.

<u>Tax Map updates</u>: Updates and corrections continue to flow through the office. This being said, please verify your acreage to your tax bill. Feel free to email or call us to verify your acreage if you cannot locate your tax bill. Also, new in 2021, you were able to view tax maps online. You can visit the website at: <u>https://www.axisgis.com/MoretownVT/</u>.

Town Treasurer: Responsibilities are to manage the finances of the town and keep an account for the municipality. 2021 financials have been reviewed by a professional auditing firm, Pace & Hawley. This can be found on the town website.

<u>**Taxes:**</u> Can be paid online again this year at: <u>https://www.officialpayments.com/</u>, we had a very large increase in this service again this year.

Informational Meeting 2022: Will be held remotely this year on February 22, 2022 at 7:00 p.m. due to COVID-19. You can find a link on the town website to connect remotely. This being said, our traditional "Town Meeting" held the day of Town Meeting will not be happening. Voting will take place by Australian ballot at Moretown Elementary School entrance via a Drive Thru at 940 Route 100B from 7:00 o'clock in the forenoon to 7:00 o'clock in the afternoon on March 1st, 2022.

Dog licenses will be sold via mail this year due to COVID-19. You can either drop them off in our "secure lock box" located on the front porch of the town office or mail them in to: 79 School Street Moretown, VT 05660. Please leave cash or check (we prefer a check) along with any updated rabies certificate(s) and or spayed/neutered certificate(s).

Spayed/neutered: \$11.00 Non-spayed/non-neutered: \$16.00

TOWN CLERK AND TREASURERS ANNUAL REPORT FOR 2021

Online Voter registration:

By using the My Voter Page, a registered voter can:

- Check registration status;
- View information on upcoming elections;
- Access voter specific elections information, including directions to a polling place and polling hours;
- View a sample ballot;
- Request and track an absentee ballot;
- And much more.

I encourage voters to log into their My Voter Page to learn more.

Registered Voters can log in at: <u>http://mvp.sec.state.vt.us</u>

Online registration can be found at: <u>http://olvr.sec.state.vt.us</u>

As of January 1, 2017, eligible persons may register to vote on any day up to and including the day of the election.

79 School Street, Moretown, Vermont 05660

2021 Road report

The Moretown road crew had a productive construction season in 2021. One large, Time consuming project completed was on the backside of Moretown Common Rd. This project was planned/completed in conjunction with the state of Vermont's Municipal roads general permit (MRGP) program. This program identifies hydrologically connected road segments that are susceptible to erosion. The project consisted of tree/brush cutting, ditching, seeding/mulching, culvert replacements, and extensive stone lining of the ditches. While doing this project we also installed under drain in a section of roadway to hopefully help mitigate mud issues in the spring.

Another "MRGP" project your road crew completed was on Stevens Brook Rd. where tree/brush cutting, culvert replacements, seeding/mulching, ditching and stone lining of the ditches was done. Other roads that had similar work completed were Moretown Mtn. Rd (numerous locations), Cobb hill Rd, Murphy Rd, And Spillway Rd.

Other work completed was the continuous grading of our roadways, Chloride applications after grading, Re-surfacing of roadways, Roadside mowing, Mowing of the school/town land, Equipment repair and maintenance, S Removal of downed tree's, Mud mitigation, And of course plowing and sanding of our roadways.

The road crew also attended training/classes in, Invasive species, Flagger certification, And chainsaw safety.

The road department would like to thank the numerous residents, And Select board for their support through 2021. And as always if anyone has any questions/concerns please feel free to reach out to us here at the road department

Thank you

Moretown road department

Finance Review Committee

and will be missed. In 2021, we discussed issues around financing capital projects and expenses. At 2021 Town Meeting, an article was approved purchases for no more than \$5,000. We remain dedicated to supporting the Select Board in best practices for use and investment of the Capital recommendations. Current members are Jason Aronowitz, Cherilyn Brown, John Hoogenboom and Bob Holden. Beki Auclair has since resigned The Finance Review Committee is appointed by the Select Board in order to consider financial aspects of the town and to provide them with to establish a Maintenance Reserve Fund. This fund can be used for any unexpected maintenance or repairs to equipment, or unexpected Reserve Fund and Savings Reserve Fund.

DEVELOPMENT REVIEW BOARD

The Development Review Board is a quasi-judicial body which holds hearings on requests for variances and development which requires conditional use approval under the Town's zoning regulations. The Board also has jurisdiction to review appeals from decisions of the Town Zoning Administrator, and authority over certain proposed subdivisions.

During 2021, the DRB met seven times conducting hearings on fourteen applications and considered one appeal challenging a condition in a Zoning Administrator granted permit. Two applications involved two lot subdivisions which could not be approved by the Zoning Administrator because lots were proposed which had access from private drives crossing the other subdivided lot rather than by frontage on a Town Road.

Several hearings involved creation or expansion of Accessory Dwelling Units. The Town's application to use grant money to build stormwater retention ponds in the low area between the Town Office and St. Patrick's Church designed to improve drainage around the school and community parking area was approved after hearings in September and October.

Decisions and Board Minutes are available for review on the Town website.

Zoning Administrator David Specht provided administrative support to the Board prior to his resignation in October which was helpful to the Board in completing its work.

We are saddened by the loss of one of our longest serving members Erick Titrud who died this past year, and are grateful for the contributions of Erick over many years to the Board.

Individuals currently serving on the Board consist of the following:

John Riley, Chair David Russo Jim O'Neill Paula Woods Greg Nagurney Craig Oshkello, Alternate

Moretown Planning Commission Report 2021

In 2021 the Planning Commission (PC) focused primarily on consideration of substantive changes to the Zoning Regulations, with support from the \$11,200 Municipal Planning Grant awarded to the town in December 2020. The purposes of the revisions are to:

- Streamline Permit Process: reduce unnecessary or duplicative burdens within the permit application process.
- Encourage Housing: utilize recommendations from the Enabling Better Places: A Zoning Guide for Vermont Neighborhoods guidebook in an effort to allow more housing types or renovation opportunities. especially those that are affordable for working Vermonters throughout the town including the Village District;
- Realize Energy and Broadband Goals: implement compact settlement land use patterns that complement policies identified in Moretown's draft enhanced energy plan and support increased broadband deployment townwide; and
- Preserve Natural Resources: incorporate conservation strategies to preserve Moretown's forest resources, primarily in the Preserve District.

Under the grant Senior Planner at the Central Vermont Regional Planning Commission, Clare Rock, is providing advice and technical support. In early December, we started the process of seeking more input from the public by fielding a survey, to be completed in January 2022. Our expectation is that we will complete proposed revisions later in 2022 and hold public hearings on a schedule that will allow us to put the revised Zoning Regulations on the ballot at the 2023 Town Meeting.

In the fall, the PC became aware of the opportunity for grant funding to support consideration, design and possible development of a centralized wastewater system in the village. We also became aware of the possibility of collaborating with Duxbury and Waterbury to obtain access to the Waterbury Wastewater Treatment Plant for the properties in the Commercial-Residential District of Northwest Moretown. We will evaluate the need for and viability of each of these options in the coming year.

Following the November resignation of the town's Zoning Administrator, the PC began to support the Selectboard's effort to recruit a new Administrator.

After serving on the PC for 13 years, including many years as chair, Jonathan Siegel decided to leave the PC when his term expired at the end of August. We all regret his departure and will miss his wisdom, historical knowledge, tenaciousness and wit. We thank him for his service. We also thank Clark Amadon for agreeing to fill the vacancy left by Jonathan's departure.

Respectfully submitted,

David Stapleton, Chair Deborah Carroll Karen Horn John Schmeltzer Clark Amadon

The Moretown Volunteer Fire Department

We at the Moretown fire department would like to start out by thanking everyone in our community for your continued support of the fire department. The fire department has continued to change rapidly while still rendering aid whenever needed. We have been able to resume in person trainings as well as continued online training opportunities. Our Command structure is listed below.

Chief: Stefan Pratt 1st Assistant Chief: Will Houghton 2nd Assistant Chief: Brandon Guyette Captain: Shawn Graves Lieutenant: Shane Grace Lieutenant: Jacob Martin

This year we responded to many different types of call for assistances with our 100% volunteer call force. Below you will see a breakdown of the types of calls we went on in 2021.

6 Alarm activations
8 Motor vehicle accidents
2 Chimney fire
4 Mutual Aid calls
3 Wild land fires
6 Canceled/unfounded
2 power line dangers/trees
2 Illegal fires
1 Medical Assist
1 Shed Fire

The total being 35 calls this year that the Moretown fire department responded to. Each one of these calls has a risk of danger. Thanks again!!!

THE MORETOWN VOLUNTEER FIRE DEPARTMENT

Library Highlights 2021

The library has continued to provide a variety of support and services to the community as the pandemic still impacts our daily lives. In the early part of 2021, residents had access to books, other materials and printing through our contactless curbside pickup system. The library also served as a distribution point for the Town's supply of free masks, and as a community wi-fi hot spot. Additionally, we launched more online programming such as "Among Us" for tweens and teens, virtual Open Mic Night, and our popular Trivia Nights to help maintain and build connections in our community as we all waited for the vaccine to become more widely available.

In early June, the library reopened its doors for browsing and short visits to the delight of many. Aside from gaining physical access to nearly 300 new titles added during the year, many residents were able to utilize our public computer for important tasks such as fulfilling covid related travel requirements. In person programming resumed outdoors with a pop-up amphibian road crossing monitoring and our first annual Seed Swap in April, continued with a series of fun Summer Reading events, the Great Dragon Egg Hunt and Book Sale at Morefest, and wrapped up with pumpkin carving and a Halloween Storywalk. Throughout the summer and fall we also provided a larger space for book clubs and other groups to safely meet, and much needed chance encounters among friends and neighbors.

Another focus for the past year has been our collection of "Library of Things" and expanding beyond traditional materials loaned. The now annual puzzle swap and resulting diverse collection of puzzles to share has kept many residents occupied in the colder months. Thanks to the Vermont Community Foundation, patrons now also have access to the use of two Chromebooks both in or outside of the library. This Spring we are excited to offer a variety of recreation equipment for loan, including lawn games like Bocce Ball, tennis rackets, sports balls and several nature exploration kits. We are grateful to the Vermont Children's Trust Foundation for the funding to give families and friends free opportunities to play together outside at the town's recreation fields or at home.

In October we welcomed Nicole Melone as the new Library Services Coordinator. An artist, graphic designer and community organizer, Nicole has spearheaded a range of events and projects such as farmers and artisan markets, art installations, and community gardens. Passionate about responsible stewardship of resources and access to education, she is thrilled to add "librarian" to her list of roles and serve our community.

The library couldn't provide the current level of service and programming without our volunteers. Whether running the circulation desk, covering books or shifting the space between library and event mode, we give big thanks to Pam Barnes, Elizabeth Burt, Maura Lane and members of the Town Hall committee. The newly revitalized Friends group also helped daily operations run smoothly through funding a new book cart and other needed library supplies.

Finally we very much appreciate the time and efforts of our outgoing Trustees, chair Jamie Wimble and Emily Wood. Their stewardship of the library during their years of service has helped the library become a community hub providing robust programming, library services and access to a diverse collection of materials.

\$6,220 = Grant Funds Received	583 = Reference Questions
4,330 = Checkouts	840 = Library Visits

The Village Cemetery- once called Riverview

Moretown Cemetery Commission Report 2021

- 1. There were two burials at Mountain View.
- 2. One burial at Moretown Common.
- 3. Assistance was given to several families with burial information.
- 4. New flags were placed at Veteran's stones in the Moretown Cemeteries with the kind donation from Waterbury Post 59 of the American Legion.

We thank Eric Howes for his attention to our cemeteries and for keeping everything well maintained.

MORETOWN HISTORICAL SOCIETY 2021 ANNUAL REPORT

Well, we have endured another year of the Covid 19 pandemic. It has caused many changes in our lives and our social gatherings. Due to the pandemic and concern for the safety of our neighbors and friends, the Historical Society felt it necessary to cancel or postpone some of our planned meetings and events.

We did participate in the outdoor Morefest event in September 2021 with a display of photos marking the 10 year anniversary of Tropical Storm Irene and the effects that storm had on the citizens of Moretown.

We again provided holiday decorations for the gazebo and would like to thank Bill Wilcox for allowing us the use of the building and providing the electricity.

The members would also like to thank those who have donated artifacts and pictures over this past year, and asked about our members and when we would be back in action.

We were still able to connect by phone or e-mail with those persons looking for family ancestry information or with an inquiry about Moretown history

As we move into another year, we have hopes of planning and participating in more events and seeing our lives become more "normal". In the meantime please everyone stay safe.

Respectfully submitted,

Denise Gabaree, President

Mari Murphy-Blake, Secretary/ Treasurer

Moretown Recreation Committee

The mission of the Moretown Recreation Committee is to support the use, stewardship, enhancement and enjoyment of the town property and resources for recreation, conservation, and education purposes, including the ball fields, courts, trails and town forest.

Our new town skills park and beginner multi-use trail loop are open! Located in Moretown Village behind the Town Office and the Elementary School. This was a combined effort many years in the making between the Mad River Riders and Moretown Rec Committee leveraging a \$50,000 Recreational Trails Program grant to help fund phase I of the project. Our grand opening was well received on Trails Day, June 5th, 2021. Folks of all ages have been enjoying the skills park, practicing and playing with friends. The Nature Trail loop can be enjoyed in both directions and offers

beginner to intermediate switchbacks, climbs, and optional rock features. Several Phase II project grants have been submitted, with \$5000 already committed from the 2022 Vermont Mountain Bike Association Trail Fund.

Did you know that our 172 acre Town Forest has roughly 2.5 miles of trail enjoyed by hikers, runners, bikers, snowshoers, and skiers? This year the final phase of signage installation was completed, an initiative born from your survey feedback in 2019. Specifically, we installed 11 wooden engraved trail markers and 100+ trail markers. The fall blowdowns have been cleared, it's time to go explore!

In 2022, work will continue with the school to improve recess gear storage and bathroom availability as our children continue using outdoor classrooms that extend up into the trail system. Ongoing meetings with the Morefest Committee and Library will consider improvements to the area around the Pavilion. Examples include: electricity, water, and adjusting the fencing to improve traffic flow for events. We are also refreshing and implementing another community survey to ensure our forward focus aligns with your collective feedback. We look forward to your great ideas!

Deep thanks to our outgoing board members Steve Robbins and Chuck Burt for their time, energy, knowledge and support. And in September we welcomed our newest member Lee Ann Martin. There are open seats on the committee, please reach out or join us at our next meeting. We have a consistent working group, meeting the 4th Monday of the month at 5:45 pm at the town office or in the outdoor pavilion weather pending.

Respectfully submitted,

Chris Stephenson (Chair) Becky Auger Susan Werntgen Meg Schultz John Atkinson Lee-Anne Martin

ENERGY COORDINATOR 2021 REPORT

2021 was an active year on the town energy front, as the Mad River Valley towns of Moretown, Fayston, Waitsfield, Warren and Duxbury were selected for targeted support from Efficiency Vermont starting in April 2021 and continuing through March 2022. We partnered with Efficiency Vermont and the energy coordinators from Waitsfield, Warren and Fayston on a number of initiatives, described below. If you have weatherization improvements to make on your home or business, consider acting fast to get additional incentives through March. Check out the MRV Saves page on the Efficiency Vermont website to learn more: www.efficiencyvermont.com/mad-river-valley

The additional support from Efficiency Vermont in 2021 included enhanced energy efficiency incentives for municipal buildings, businesses, homeowners, renters, and non-profit groups. The Town of Moretown leveraged these incentives to improve the lighting in the Town Garage with new LED fixtures. For residents, we helped promote Efficiency Vermont's virtual home and business energy visits, and their free energy savings kits. Morefest in September provided a great opportunity to chat with residents about their homes and share resources from Efficiency Vermont. We hope to join Morefest again next year.

Many thanks to everyone who took our Energize MRV Home Energy Survey of homeowners and renters. The town energy coordinators worked together to create this survey with help from VECAN and the Mad River Valley Planning District. We will use this information to inform future efforts. Survey snapshot: We had 107 respondents from the 4 towns, mostly from single-family full-time residents. One big take-away from the survey is that the majority of those who responded have aging propane heating systems that will need replacing in the near future. Almost one third requested technical assistance follow up. This is important, because to meet the energy goals of our Town Plan and our new draft enhanced energy plan (which will likely be incorporated into the Town Plan at some point this year), we will need to enable residents to cost-effectively transition away from heating with fossil fuel. A third of renting respondents and 17% of homeowners identified themselves as financially burdened by their energy use. A majority felt that protection against power outages was necessary. The full survey results will be shared with municipal officials and posted on the energy page of the town website.

For the first time, Mad River Valley towns participated in an innovative interior storm window program called WindowDressers, a non-profit out of Maine that helps communities decrease heating energy use and drafts from leaking windows. We joined an experienced Montpelier energy group to co-host a Community Build in November. Big thanks to Moretown energy committee member John Burns who helped get this project off the ground and played many volunteer roles. WindowDressers has a commitment to keeping costs low by using community volunteers as much as possible, with grant funding in place to support free inserts for low-income families. We were lucky to partner with the MRV Interfaith Council, who provided local funds to cover the cost of inserts for two residences in need. 71 inserts were built for MRV customers, including several in Moretown. This trial run makes us confident that we could do another build next year and make these low-cost inserts available to many more households. This effort required many volunteers, and we thank everyone who gave their time, especially the Mad River Valley Rotary, which provided a wonderful team.

Looking ahead, our towns will have more support coming for meeting energy goals through additional planning capacity at the Central Vermont Regional Planning Commission (new hires are underway for climate and energy staff). The MRV town energy coordinators plan to continue to collaborate on community initiatives and to identify shared strategic goals based on our town plans and in concert with our select boards and planning commissions. If you have any interest in being involved in our work moving forward, please reach out. We are looking to grow our efforts into a committee. Thank you!

Dara Torre Moretown Energy Coordinator

CVFiber 2021 Moretown Report

CVFiber is a nonprofit municipality consisting of 21

communities, including Moretown, with the mission to build a public, reliable, and affordable high-speed fiber network to serve the community, particularly those without good Internet service options today. Construction of the 1,200 mile, \$50 million, fiber-to-the-home network will begin in the second quarter of 2022.

In 2021 CVFiber completed pole inventories, a necessary step before construction can begin, for Calais, E. Montpelier, Middlesex, Moretown, and Worcester. Pole inventories for twelve more towns will be completed in 2022.

By the 2022 town meeting CVFiber will have engaged Waitsfield Champlain Valley Telecomm to be the CVFiber Community Network operator and Internet service provider.

In October CVFiber was awarded a \$2.8 million ARPA grant by the Vermont Community Broadband Board to pay for the twelve-community pole inventory, detailed design and engineering, and administration expenses. CVFiber will be applying for a construction grant in the first quarter of 2022.

Grant funds are important because they enable faster development and they lower the cost of subscription rates. Without grants CVFiber would have to take loans or sell bonds and pay interest, with all costs to be passed on to subscribers. CVFiber is hopeful it will receive 40%-50% of the total cost of building the \$50m network from these grant funds.

Each of the communities also received ARPA grant funds and one of the allowed uses of these special funds is broadband infrastructure. CVFiber is requesting that each member community consider contributing a portion of its ARPA grant funds to CVFiber to deliver service to the underserved in their community. Any funds contributed by a community must be spent in that community. The Vermont Community Broadband Board will match town contributions to CVFiber up to a \$1.5 million for the total contributions made before April 15, 2022.

More information is available on the CVFiber website at cvfiber.net.

Respectfully submitted.

Chuck Burt Town of Moretown Delegate CVFiber cburt@cvfiber.net

December 31, 2021

Town of Moretown Select Board Minutes Informational (pre-Town) Meeting Monday, February 22, 2021 <u>https://us02web.zoom.us/j/6201042716</u> Via ZOOM Meeting ID 620 104 2716 or to call in: 929-205-6099

Board Members Present: Tom Martin, John Hoogenboom, Rae Washburn, Callie Streeter, Don Wexler

Guests: Steve Magill moderated most of the meeting. There were approximately 45 people that attended the meeting. The link to watch the meeting, will be posted on the website (when it's available).

The articles on the ballot for March 2, 2021 were gone over and discussed if there were any questions. A few guests from the non-profits were present to speak about their organizations that are asking the town for money.

There was discussion on article 35, pulling out of the HUUSD, Neil Nussbaum was present to speak about it.

The Selectboard thanked everyone for their efforts.

Meeting adjourned at 10:17 pm
