

# CENTRAL VERMONT REGIONAL PLANNING COMMISSION

## 2016 ANNUAL REPORT – TOWN OF MORETOWN

The Central Vermont Regional Planning Commission is a consortium of 23 towns and cities in Washington County and western Orange County. The Commission provides planning and development assistance to communities. All municipalities in the region are entitled to equal voting representation by a locally appointed member to the governing Board of Commissioners.

### 2016 Moretown Activities

- ❖ Supported the Mad River Ridge to River stormwater project.
- ❖ Completed road erosion and culvert inventories.
- ❖ Reviewed Town Plan.
- ❖ Organized outreach for the Rt. 100B bridge project.
- ❖ Conducting Mad River and Winooski River flood study. The study will help guide redevelopment and lead to mitigation actions to reduce risks to public safety and infrastructure.

### CVRPC Projects & Programs

- ❖ *Municipal plan and bylaw updates:* Focus on predictable and effective local permitting through education, bylaw modernization and plan updates.
- ❖ *Brownfields:* Complete environmental site assessments so properties can be sold, developed or redeveloped to benefit the economy, create/protect jobs and increase housing opportunities.
- ❖ *Transportation planning:* Coordinate local involvement in transportation decisions through the Transportation Advisory Committee and provide studies, plans, data collection, and counts.
- ❖ *Emergency planning:* Better prepare our region and state for disasters by coordinating with local volunteers and the state on emergency planning, exercises, and training.
- ❖ *Energy conservation and development:* Foster projects that support energy conservation to save energy and tax dollars and identify opportunities for renewable energy generation.
- ❖ *Natural resource planning and project development:* Implement activities to protect water resources/ supplies, enhance recreational opportunities, maintain the forest products industry, and enhance environmental health.
- ❖ *Regional plans:* Coordinate infrastructure, community development, and growth at the regional level through the development, adoption, and implementation of a regional plan.
- ❖ *Geographic Information System services:* Provide municipalities, state agencies, and regional groups with mapping and data analysis in support of their projects.
- ❖ *Special projects:* Complete special projects, such as downtown revitalization, recreation paths, farmland preservation, economic development, and affordable housing projects.
- ❖ *Grants:* Identify appropriate grant sources, define project scopes, and write grant applications

The Commission has no regulatory or taxing authority; each year, we request a per capita assessment from our members in support of local and regional planning activities and to help offset costs and provide local matching funds needed for state and federal funding.
