DELINQUENT TAX COLLECTION POLICY

Town of Moretown Policy for Collection of Delinquent Taxes

The purpose of this policy is to establish clear guidelines so that all delinquent taxpayers will be treated fairly and will know what to expect.

- A. As soon as the warrant has been received, the tax collector will send a notice to each delinquent taxpayer indicating the amount of taxes, penalty and interest owed.
- B. **Only payment arrangements that will pay the bill in full before the due date of next year's bill will be accepted.** Special circumstances will be considered.
- C. Mortgage holders and lien holders will be notified of the delinquent taxes 30 days after the first notice has been sent to the taxpayer and again prior to tax sale
- D. Partial payments will be applied proportionally between the outstanding tax, interest and penalty payments due.
- E. **If the amount due is less than \$500** and no satisfactory payment arrangements have been made, or if the prior payment agreement has not been met, the tax collector can file a complaint with small claims court.
- F. **If the amount due is \$500 or more** and no satisfactory payment arrangements have been made, or if the prior agreement has not been met, the tax collector can begin the following actions to conduct a tax sale of the property or as much of the property as is necessary to pay the tax, plus costs and fees:
 - a. The collector will notify the taxpayer and all mortgage and lien holders of the tax sale decision, the date by which full payment must be received, and the costs to expect once the sale process begins.
 - b. If the deadline date has passed and full payment has not been received, the collector will proceed with a tax sale according to the procedures specified in 32 V.S.A. & 5252.
 - c. Costs of preparing and conducting the sale, including legal fees up to a maximum of 15% of the amount of the delinquent tax, will be charged to the delinquent taxpayer.
- G. Each taxpayer has a right to apply for abatement of property taxes based on any of the grounds listed in 24 V.S.A. & 1535.
- H. In the event that no one purchases the property at tax sale, or, if in the judgment of the tax collector, proceeding with the tax sale is inadvisable, the tax collector shall collect the delinquent taxes using any and all methods permitted by law.

Craig Eilers

The Charles O. Davis Fund is a little known and under used asset to our community. This community fund is available to any Moretown couples, 65 or older, who desire to live together. It can be used to help buy winter fuel, to better insulate their home, to help with medical bills, buy groceries, or any number of other expenses. This fund is there to support our older couples, and to help better their continuing independence and security later in life. If you and your partner are 65 or older and would like to apply, or if you know a couple you would like to recommend, please contact a member of the Select Board or our Town Service Officer, Deborah Feldman. All nominations and applicants are anonymous.

CEMETERY COMMISSIONERS REPORT

- There were four burials this year three at Mountain View, one at Village Cemetery.
- Two lots were sold, one at Mountain View and one at Village Cemetery.
- The perimeter of Mountain View was cleaned up and debris removed.
- Many cornerstones were put in place and 4 memorial stones or monuments were set.
- The fence at Mountain View was repaired after another tree toppled.

The mapping of Mountain View Cemetery project is nearly finished. There will be a map of that cemetery available at the Town Clerks office soon, showing what lots are available for sale. Caps will be installed at the beginning and end of each row in the newer sections of Mountain View indicating the section number. This should be helpful for future reference of row and section locations.

Eric Howes was awarded a three-year mowing contract. We thank Eric for doing a great job of maintaining our cemeteries.

Research was done for several families looking for the location of burials in Moretown.

Respectfully Submitted,

John Fulton
Mark Austin
Mary Murphy-Blake

MORETOWN VOLUNTEER FIRE DEPARTMENT

The Moretown Fire Department is proud to serve the Moretown community and the surrounding communities when in need. The Fire Department has trained and experienced firefighters on our roster, but we are always in need of more volunteers to help keep our town safe and protected. The Fire Department currently has a total of 11 active firefighters on our roster, and we are always looking for more dedicated individuals to join our ranks. Our firefighters train hard and challenge themselves to become better firefighters. Our firefighters participate in Firefighter Level I and Firefighter Level II certifications, vehicle extrication, CPR and many more. They take great pride in all the training that they receive to help others in their time of need, day or night, in good weather or in bad.

This past year we have responded to a total of 44 emergency calls. Those calls are as follows:

- 6-carbon monoxide
- 11 motor vehicle accidents
- 3 rescue calls
- 2 mutual aid calls
- 2 ambulances assist calls
- 6 alarm activation
- 8 non-fire related calls
- 2 wildland fires
- 3 other fire related calls
- 4 chimney fires

This past year we did a fund drive letter and with the donations received from the community we were able to buy a new gas meter, which we use to detect a variety of different gasses such as carbon monoxide. We greatly appreciate the continued support and donations that we receive.

If you would like to join the Fire Department, or would like to find out more about the Fire Department, you can contact Chief Stephen Smith or any of the following officers by calling the Fire Station (802) 496-3254.

- 1st Asst. Chief Will Houghton
- 2nd Asst. Chief Shawn Graves
- Captain Stefan Pratt
- Lieutenant Jeff Ciampi
- Lieutenant Randy Dow

You can also stop by the fire station on the 1st and 3rd Tuesday of every month to join or learn more about what we do.

Thank you and Stay Safe!
Chief Steve Smith

Mad River Resource Management Alliance

P.O. Box 210, Waterbury Center VT 05677

(802) 244-7373 / fax (802) 244-7570

The Mad River Resource Management Alliance(MRRMA) includes the Towns of Fayston, Moretown, Roxbury, Waitsfield, Warren and Waterbury. The Alliance was formed through an Interlocal Agreement that began in 1994. We changed our name in 2008 to reflect the fact that we are managing resources not wastes. Roxbury joined the Alliance in 2010.

During 2017, the Alliance held two regular Household Hazardous Waste Collection Day events at the Harwood Union High School in Duxbury on May 13, 2017 and on October 7, 2017. A total of 458 households participated in the regular events this year which represents 9.2% of our population. We collected over 3,121 gallons, 21,808 pounds and 530 feet of fluorescent bulbs at the two events. Residents within the Alliance communities are able to bring all their architectural paints, waste pesticides, alkaline batteries and up to 10 additional gallons of hazardous waste to each event for disposal at no charge. The Alliance will swap your mercury fever thermometer for a digital thermometer at no charge at these events. Bring your mercury thermostats to the Household Hazardous Waste Collection and you will receive a coupon that can be redeemed for a \$5.00 rebate by the Thermostat Recycling Corporation which will process the thermostats. Residents can also bring all their compact fluorescent bulbs(CFLs) and up to ten or fewer non-CFL general purpose mercury containing lamps. We are again planning two collection day events in 2018, at Harwood Union High School. They are scheduled for May 12 and October 6, 2018.

A total of 500 gallons of used crankcase oil was collected within the Alliance at our Used Oil Collection Tank during 2017. The tank is located in Waitsfield at the Earthwise Transfer Station.

Grow Compost of Vermont in Moretown collected food scraps and food processing residuals from the Washington West Supervisory Union waste streams and from other large generators in the MRRMA. A total of 216.5 tons of food scraps were collected by Grow Compost of Vermont in 2017 in the MRRMA. Visit our web site at madriverrma.org. You will find information on solid waste issues on this web site.

The twenty first truckload sale of compost bins resulted in the distribution of 41 compost bins and 2 Green Cones. It is estimated that each compost bin can compost 650 pounds of garden and kitchen waste annually. This means rich soil to add to your garden and less waste to go to the landfill. We held two composting workshops for Alliance residents this year and expect to hold more in 2018. We will hold our twenty second Compost Bin Sale this spring. The Alliance held a car and pickup truck tire and metal collection event at the Earthwise Transfer Station in conjunction with Green Up Day in 2018. A total of 4.69 tons of tires and less than a ton of metal were collected during this event. In the fall Alliance residents participated in the Wheels for Warmth Program held on October 28, 2017. We are planning to hold a spring tire and metal collection in conjunction with Green Up Day on May 5, 2018. The Village Grocery in Waitsfield provided a local site for folks to deliver tires for Wheels for Warmth.

Alliance residents can bring their mixed paper, glass bottles and jars, metal cans and plastics #1 through #7, except for plastic film wrap and bags and beaded styrofoam for single stream recycling to the Earthwise Transfer Station, RTR Transfer Station or Northfield Transfer Station. There are also local haulers and Saturday Fast Trash Collections available in the Mad River Resource Management Alliance. Currently the recyclables are taken to the Chittenden County Materials Recovery Facility for processing. Computers, printers, monitors and televisions can be recycled at no charge at the Earthwise Transfer Station, the State Surplus Property Office on Route 2 in Waterbury or the Northfield Transfer Station. Other e-waste can be brought to the State Surplus Property facility in Waterbury and recycled at a small per pound fee. During 2017 33.60 tons of e-waste was collected. Additional information on this program is found on our web site. The Alliance is a member of the Northeast Resource Recovery Association which helps us market some recyclable commodities such as tires, propane cylinders and other materials. The Alliance is also a member of the Product Stewardship Institute(PSI). As a stakeholder in the PSI we work with other entities to reduce the environmental and health impacts of a variety of consumer products. This is accomplished by looking at the life cycle impacts of products and their packaging. Things like energy and materials consumption, emissions during manufacturing, toxicity, worker safety and waste disposal are among the issues reviewed. The objective of product stewardship is to rethink the way things are created in order to have more sustainable products in the future. We are also a member of the Vermont Product Stewardship Council which provides a local focus to stewardship issues.

Our updated Solid Waste Implementation Plan(SWIP) was approved by the Department of Environmental Conservation to ensure compatibility with the Vermont Materials Management Plan and the Universal Recycling Act. The SWIP is attached to our website madriverrma.org.

Backyard burning of trash is illegal and causes air pollution problems. Be a good neighbor and don't burn trash. If you know of any illegal dumping sites within your town that would benefit from an Adopt a Site Program give John Malter, Alliance Administrator a call at 244-7373 and let's see what we can do to help eliminate these types of problems together. The FY18 assessment for the administration and programs remains at \$6.00 per capita.

The representatives of the Alliance include: Fayston, Chuck Martel; Moretown, Jonathan Siegel; Roxbury, Dave McShane; Waitsfield, Sal Spinosa; Warren, Clay Mays; Waterbury, Alec Tuscany and John Malter from Waterbury is the Administrator for the Alliance.

ZONING REPORT

Zoning Permit Applications

45 total permit applications

42 total permits issued (2 denied, 1 withdrawn)

9 Single-Family Residences (including accessory structures)

24 Accessory Structures (such as garage, porch, deck)

3 Subdivisions

4 Accessory Dwellings

1 Setback Waivers

1 Change In Use

1 Pond

2 Other (Conditional Use)

Zoning permit forms and applications can be viewed and downloaded at:

<http://www.moretownvt.org/laws-and-ordinances/permits-licenses/>. The permitting fee

schedule has been updated and can be viewed at: [http://www.moretownvt.org/wp-](http://www.moretownvt.org/wp-content/uploads/2015/09/revised-Fee-Schedule-January-2014.pdf)

[content/uploads/2015/09/revised-Fee-Schedule-January-2014.pdf](http://www.moretownvt.org/wp-content/uploads/2015/09/revised-Fee-Schedule-January-2014.pdf). The Zoning Administrator worked with the Moretown Planning Commission to revise the zoning regulations in 2016. New or revised regulations include stormwater and erosion control measures, special events, setback waivers, and increased setbacks for streams and wetlands.

MORETOWN MEMORIAL LIBRARY HIGHLIGHTS

Thanks to staff, volunteers and the community at large, the library enjoyed another productive and successful year. We welcomed Meredith Whitney's fresh perspective and enthusiasm as our new assistant librarian, rearranged the library and added a variety of new books to the collection, and offered a robust schedule of programming.

A native of Vermont, Meredith grew up in Waterbury and Montpelier and is delighted to now find herself in Moretown. She has been living here two years and the library is one of her favorite places in town. In high school, Meredith worked as a "page" at the Kellogg Hubbard Children's Library. When she isn't the Assistant Librarian, Meredith is the Forest Pest Education Coordinator through UVM's Extension Office. Look for her program on invasive pests coming to the library sometime in May.

Our revitalized Friends of the Library also provided invaluable support this year. With their generous funding, we were able to install a new side-facing picture book case in our back room. Not only can our youngest patrons now better see and access their books, the increased shelf space allowed us to rearrange the entire collection and remove several large free-standing cases for DVD's. If you haven't been in the library in a while, we encourage you to come see the new space. The Friends also provided resources for additional programming like our Open Mic Nights, an increase in our audiobook collection, the storytime sunflower house, and other special events throughout the year. Their gift of time and commitment to the library sets an example for how volunteerism leads to positive civic engagement and the betterment of our community; and we thank them for it.

We held over 60 programs in 2017, many as part of the MRV Libraries and in collaboration with other community organizations. Over 1,000 of you participated in everything from the year-long series on herbal medicine to the Vermont Reads workshops including Muslim Girls Making Change; Cooking with Kids to our annual Birding by Ear talk and walk; "Build a Better World" Summer Reading programs like "Vermont Raptors" to Morefest's Storywalk and Book Sale; the grant funded PLACE climate change discussion series to the ever popular storytime with Mrs. Claus; Moretown Open Mic Nights held at the Town Hall and of course many more. We appreciate all of the community members who lent their time and expertise as well as the Department of Libraries and Robert Di Yeso Charitable Foundation's grant funding that made this level of programming possible.

Along with a two-fold increase in program attendance from the previous year, we also enjoyed a higher number of visits and circulation in 2017. During the 1,196 hours we were open, over 2,000

visits to the library resulted in a circulation of 4,995 items including books, DVDs, audiobooks, and our online services Listen Up Vermont and Vermont Online Library. With much gratitude, we also saw an increase of nearly \$650 in donations over last year. Although our loans to other libraries were down considerably (47 vs. 78 in 2016) due to not being part of a statewide courier system, we do plan to partner with the Joslin Library in the first half of the year to join and will hopefully see those numbers increase again. Look for more details and data about our library in the FY2017 Annual Public Library Survey published by the Department of Libraries sometime in April.

A big thank you to the following volunteers who helped keep our library up and running this year: Tom Allen, Carol Chamberlin, Rachel Corey, Kelly Collar, Kristin Geoghegan, and Maria and Chris Young. Along with staffing our circulation desk, leading programs, and meeting six times a year to lend guidance to the “Big Picture”, our Trustees have also been integral to the library’s success and we appreciate the time and energy spent by Elizabeth Burt, Chris Costello, Karen Sharpwolf and Jamie Wimble. The generous support and community engagement over the past year has certainly helped us strive towards our mission of being a hub for the community by providing robust programming, services and a diverse collection of materials.

See you at the Library!
Cory Stephenson
Library Director

MORETOWN HISTORICAL SOCIETY REPORT

The past year has been relatively quiet for the Historical Society. We continue to assist people who are searching for information on ancestors as best we can.

In April the Society hosted a lasagna dinner and a dance featuring the *Big Hats, No Cattle* western swing band. It was a fun evening with lots of good food and dancing.

The Honan School project is still in the working stages. The Town road crew installed a culvert to provide access from the road onto the property. Thanks go out to them for their help. We are hoping that 2017 will be The Year for the Honan School project to be completed. Anyone who would like to help with clean up of the site please contact one of the members.

The glider crash program was postponed. We hope to have that presentation in the spring of 2018. Watch for news of that event.

We have been in contact with Duxbury and several of the Valley Historical Societies. Since we are all small organizations, we have discussed the possibility of combining our efforts and having one or two joint events during the year. We feel this would offer more topics and a chance for more people to attend.

We again participated in the Morefest Celebration and had a display of Moretown photos. The event is growing and more folks are coming out to see what is being offered. Just as a side note, the fireworks are fantastic!

We continue to publish the newsletter and are always looking for suggestions for material to add to the publications.

We hope to again serve lunch on Town Meeting day.

Thank you to all those in the community who offer assistance and support. Again we wish to thank Bill Wilcox for allowing us to use the gazebo for the holiday decorations and for providing the electricity.

Respectfully submitted,
Denise Gabaree, President
Sandy Reagan, Secretary
Mary Murphy-Blake, Treasurer

Moretown Recreation Committee Report

MORETOWN RECREATION COMMITTEE – 2018 BUDGET NARRATIVE

Committee Members: Michelle Beard, Duane Pierson, Susan Werntgen, Steve Robbins, Chris Stephenson, John Atkinson

The Moretown Recreation Committee re-organized and started meeting in the fall of 2016 to develop and support work to improve and increase our town's excellent recreational offerings. The Recreational Committee continues to meet monthly to forward our work and is always open to new members to help. Agendas can be found for our meetings at the Town Clerk's office or by contacting Duane Pierson at dpierson@wwsu.org or Michelle Beard at mbeard@gmavt.net.

Completed in 2016 / 2017

- A system of scheduling fields/courts was developed that utilizes a google calendar document. The contact number for scheduling is the Moretown Elementary School office.
- An information kiosk was entrance to the fields. The schedules, rules and other important information is displayed in the kiosk.
- A gate was installed at the base of the dirt road leading to the tennis courts. This was necessary to deter late-night joyriding on the fields over the winter. The fence along the baseball field was replaced (with the cost split equally by the town and school) and the dugouts were removed by the town road crew.
- A new playground was installed at the upper end of the recreation fields using a contribution from the deeryard funds, school funds and a donation from the Mad River Neighbor's Association.
- In 2017, volunteers have spent approximately 100 hours on trail maintenance. Several work days (including chain saw clearing) have been completed resulting in a reestablished corridor though the power line area, a cleared and reestablished Nature Trail and a lessening of rock obstacles.

Looking ahead to 2018

In previous years, the money spent on the recreation fields has been booked to different cost centers. The original Recreation Committee disbanded years ago. A new committee has been meeting regularly over the past year and has put together a 2018 budget that encompasses all expenses 45, under one umbrella...making it easier for the Selectboard to monitor spending. Also in previous years, some of the expenses related to the joint town and school fields were spent from either the town or the school. With the new unified school district now up and running, the shared resources will need to be maintained with a more formal 50/50 split of expenses.

MRC has been looking into what maintenance our fields and resources require to remain viable. Resources that fall into disrepair present safety issues, reflect badly on the town and do not encourage widespread use by residents. Although it is always our goal to utilize volunteer labor or partner with other entities, there are some issues that we feel need funding.

Tennis Courts

The Moretown tennis courts are a multi-functional space with two courts lined for tennis and pickleball, one basketball net and one backboard.

CURRENT USE: There is currently an established pickleball group which uses the courts five times a week, on four scheduled days (in season). Tennis and basketball players use the facilities on a first come, first served basis.

CURRENT NEED: The tennis court area has seen no maintenance in the roughly twenty years since its inception, other than some minor net repair done by tennis and basketball players. Not surprisingly, there are minor cracking issues on the surface. MRC has received an estimate for this work and is requesting the funds be allocated in 2018. A small add-on to the resurfacing work would be to have hopscotch, four square and king square lines painted onto the surface. This will be a benefit to Moretown children both during the school day and outside of school. There are weeds that are growing along the fence line that need to be removed before they damage the court edges. The committee plans to utilize volunteer labor to complete the edgework. The town share of the estimated contracted work is \$5,301.50.

ACTION PLAN FOR 2018: The committee will consider encouraging a scheduled group for tennis players. Scheduled group times allows residents who would like to play a chance to meet other players who are interesting in playing.

Baseball Field

The baseball diamond is another area which has had maintenance deferred for a lengthy period of time. There are safety issues involving the benches and dugout area. These areas are currently cordoned off so that there are no injuries to residents.

CURRENT USE: The school children use the field during the school day. Morefest uses the field for its annual event.

CURRENT NEED: The committee has reached out to a local contractor for estimates. These estimates have not yet been received so a \$3,000 "placeholder" has been added to the budget as the town share. The committee feels that this is a conservative amount given the work that will need to be completed.

ACTION PLAN FOR 2018: Once the work is completed and the baseball field is back in good working order, the committee will reevaluate expanding the field's use.

Trails

The land located behind the town/school recreation fields was established for the conservation of wildlife habitat in 2006. Allowed uses for the land include certain non-motorized recreational activities. The ten year management plan for the town/school land approved in February of 2010 has management objectives including maintaining the current low-impact recreational/educational uses such as hiking, biking,

snowshoeing, cross-country skiing, wildlife viewing, etc. that are compatible with the primary wildlife and habitat purposes of the deeryard easement.

CURRENT USE: The trail system behind the town office/school is used by residents who cross-country ski, snowshoe and hike in the winter months and by hikers and mountain bikers in the non-winter months. MES utilizes the trails for science exploration and outdoor classrooms.

CURRENT NEED: Per the management plan, the trails need to be kept open for non-motorized travel and the above recreational activities. To that end, another trail maintenance day is planned before the winter. It is the committee's plan to continue to utilize trail maintenance work days, volunteer labor and donated materials whenever possible to keep the trail system viable. A \$500 town share has been added to the budget under "Miscellaneous". It is the committee's understanding that there are grants available for trail work but that most grants require a small match. It is our plan to seek out and apply for available grants and use portions of this line item for the matching share.

ACTION PLAN FOR 2018: The committee will look into remapping the area and remarking the established trails with small trail signs. It is allowable for the trail network may be changed as long as there is no net increase in the overall trail network.

General/Other

●MRC concluded that there are areas of the town/school fields which are currently being mowed that do not necessarily need this type of maintenance. The committee is recommending that hill behind the baseball diamond will be brush-hogged periodically in 2018, but not regularly mowed. This reduction will reduce the mowing budget and allow more of a safe and natural habitat for birds and small animals. The exact figure has not yet been determined but the committee has estimated that the town share of mowing will decrease from \$5,625 to \$4,000.

●MRC is working with the MRP Field Committee chair to identify equipment and supplies that can be either purchased jointly or shared. The MRP Field Committee is purchasing an aerator and a seed spreader and has offered to let Moretown use these items in exchange for storage space. MRC will continue to look for potential areas where cost-saving collaboration can be implemented.

●MRC is considering recreation opportunities for families with younger than school-aged children, including the possibility of partnering with existing town entities to develop and implement such activities.

TOWN AUDITORS' REPORT

Pace and Hawley conducted an audit and results will be available at the Town Office and on the town website (www.moretownvt.org).

The Moretown Fire Department Financial Report is not included in this year's Annual Report. A handout will be available at Town Meeting Day. A financial report for 2017 will be included in next year's Annual Report along with the 2018 financial report.

The proposed 2018-2019 school budget is included in the HUUSD Annual Report which is available online at wwsu.org located under the "Board tab", at the Moretown School or the Moretown Town Office. You may request a copy by calling 802-496-2272, extension 111.

In reviewing the Moretown's Personnel Policy all town employees should only be eligible for overtime pay for each hour **actually worked** in excess of 40 hours in a workweek. Holiday and sick pay are not considered hours actually worked and therefore should not be included in calculating overtime pay.

We welcome any comments, suggestions or questions to our email account moretownauditors@gmail.com

Sincerely,
Catrina Brackett
Rita LaRocca

ANNUAL MEETING WARNING
HARWOOD UNIFIED UNION SCHOOL DISTRICT
March 5, 2018 and March 6, 2018

The inhabitants and legal voters of the Towns of Warren, Waitsfield, Fayston, Moretown, Waterbury and Duxbury, being the inhabitants and legal voters of Harwood Unified Union School District, are notified and warned to meet at Harwood Union High School in the Town of Duxbury on Monday, March 5, 2018 at 6:00PM to transact any of the following business not involving voting by Australian ballot, and to conduct an informational hearing with respect to Articles of business to be considered by Australian ballot on March 6, 2018.

ARTICLE I: To elect the following officers:

A Moderator for a term of one (1) year commencing immediately
A Clerk for a term of one (1) year commencing July 1, 2018
A Treasurer for a term of one (1) year commencing July 1, 2018

ARTICLE II: To receive and act upon the reports of the District officers.

ARTICLE III: To fix the compensation to be paid to the District officers for the ensuing year.

ARTICLE IV: To authorize the Board of School Directors to retain a licensed public accountant to examine the accounts of the District Treasurer and Board of School Directors as of June 30, 2019.

ARTICLE V: To authorize the Board of School Directors to borrow in anticipation of the receipt of taxes and other revenue.

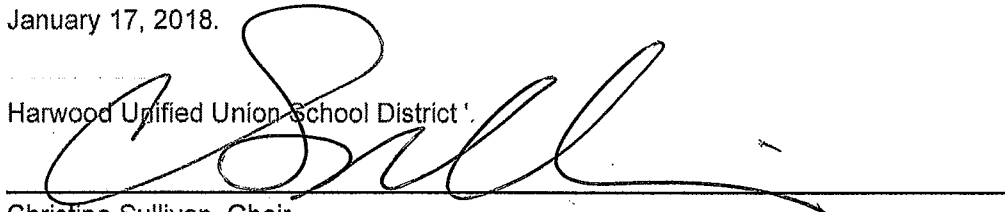

ARTICLE VI: To act by Australian ballot on the following proposition "Shall the voters of the school district approve the school board to expend \$37,183,150, which is the amount the school board has determined to be necessary for the ensuing fiscal year?" It is estimated that this proposed budget, if approved, will result in education spending of \$17,137 per equalized pupil. This projected spending per equalized pupil is 2.1% higher than spending for the current year.

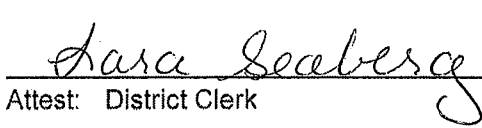

Article VII: To act by Australian ballot on the following proposition: "Shall the voters of the Harwood Unified Union School District authorize the Board of School Directors to allocate the FY2017 fund balance from the forming districts in the amounts of \$533,960 to the school district's Maintenance Reserve Fund per 24 VSA s2804?"

The annual meeting shall be recessed until Tuesday, March 6, 2018, at which time Articles to be considered by Australian ballot shall be voted at the usual polling places and during usual polling hours in the Towns located within the District. Upon the closing of the polls, ballots shall be transported to the District Clerk, under whose supervision the ballots shall be commingled and counted by members of the Boards of Civil Authority from each Town.

Approved at a regular meeting of the Board of School Directors of the Harwood Unified Union School District held on January 17, 2018.

Harwood Unified Union School District

Christine Sullivan, Chair

Attest: District Clerk

Date

26 Jan 2018

WARNING FOR ANNUAL MEETING OF TOWN OF MORETOWN TO BE HELD MARCH 7, 2017

The inhabitants of the Town of Moretown who are legal voters in Town meetings are hereby notified and warned to meet at the Moretown Town Hall in Moretown Village on Tuesday, March 7, 2017 at 10 o'clock in the forenoon to act upon the following matters:

1. To elect a moderator to preside at the meeting of the Town whose term of office shall be for the ensuing year. Karen Horn nominated Steve Magill, and John Schmeltzer seconded. Tom Martin asked if there were any other nominations, and there were none. There was no discussion. The ayes have it. Clarence Wood moved to adjourn town meeting until the end of the school district meeting, and Johanne Gray seconded. The ayes have it.
2. To hear and act upon the reports of the Town officers. Johanne Gray moved to approve the reports, and Clarence Wood seconded. There was no discussion. The ayes have it.
3. To cast ballots for Town officers. Voting to be by Australian ballot. Polls open from 7:00 a.m. to 7:00 p.m. There was no discussion.
4. To see if the Town will vote to have its current taxes paid to the Town Treasurer in one installment due, payable and postmarked by November 1, 2017. Clark Amadon so moved and Becky Auclair seconded. Karen Horn asked whether that was midnight or close of business. Jason Aronowitz responded that it was whatever the last time the post office would postmark for that day. Clark Amadon asked whether there were plans to place a drop box at the town office to receive payments. Tom Martin stated that at this point there were no plans to put a drop box there but it could be if residents so desired. Karen Horn asked to amend the article to add the option "to leave in a drop box at the town office on November 1, 2017." Katrina Brackett seconded. Kevin Beard asked whether that should be added as an amendment if the town does not have a drop box yet, and that the postmark seems to serve the purpose of capturing anyone who fails to get the payments in on time. Linda Butsch stated that the drop box amendment was vague and who would be responsible for going to the office at midnight to close it. Dan Zucker stated that, because there is no drop box, the amendment should be defeated, and the post office and postmark serve the purpose best. Becky Auclair stated that the drop box would provide those who cannot make the post office on time for payment an option to still get the payment in on the filing date. Judith Ketchell wondered about the liability of placing such a large payment in a drop box. Tom Martin reiterated that a drop box could be considered in the future, but for now the postmark date seems to be the clearest method absent further understanding of the parameters of having a drop box. Karen Horn asked if she could withdraw the motion, and Steve said that there must be a vote instead. There was no further discussion on the amendment. The nays have it, the amendment is defeated. Steve moved the discussion back to the original article. Dan Zucker asked about the wording of the article. Catherine Scribner asked how much clearer all this could be. Hoover Austin stated that, given the way it is written, is sounded like you had to pay the taxes in one installment only. Catherine Scribner responded no. There was no further discussion. The ayes have it.
5. To see if the Town will vote to set the tax warrant date on real property as November 2, 2017. Chuck Bert so moved, and Johanne Gray seconded. There was no discussion. The ayes have it.
6. Shall the voters of the Town of Moretown vote the sum of \$1,096,417.00 for the support of the Town, for the fiscal year ending December 31, 2017, for any operating expenses and other obligations? Voting to be by Australian ballot. Polls open from 7:00 a.m. to 7:00 p.m. Clarence Wood asked if we had enough money to run the town, and Tom Martin responded yes. Tom added that the increased budget includes gravel expenses, road maintenance expenses and town employee 2% raises. Karen Sharpwolf asked why the bookkeeping expenses go up by \$10,000, and Tom responded that it was because of audit. Tom stated that there is an issue of lack of revenue, especially without the tipping fees from the landfill.
7. Shall the voters of the Town of Moretown authorize its Select Board to borrow money with which to pay its lawful debts and expenses for the fiscal year ending December 31, 2017 in anticipation of the collection of taxes for that purpose? Clarence Wood so moved and Chuck Bert seconded. There was no discussion. The ayes have it.
8. Shall the voters of the Town of Moretown give the Select Board the authority to spend an amount not to exceed \$40,000.00 from the Savings Reserve Fund to pay off the 2015 dump truck? Clarence Wood so moved and Johanne Gray seconded. Becky Auclair asked why this was being voted upon now since it was on the ballot. Jason Aronowitz move to amend the article to add at the end "voting to be by Australian ballot. Polls open from 7:00 a.m. to 7:00 p.m." Chuck Bert seconded. Steve Magill stated that he did not think that could be done. John Riley moved to amend the motion to add to the end of the article "as determined by the outcome of the Australian ballot." Hoover Austin seconded. Dan Zucker stated that he didn't think such an amendment approving or disapproving of a vote on the Australian ballot was permissible. Karen Horn asked

whether this article could be passed over. Dan Zucker asked whether Steve Magill could rule this article invalid. Steve responded that he suspects this could be a public question and that a ruling of invalidity would not be proper. Deb Sargent questioned the legality of the vote on the floor versus the ballot. John Hoogenboom stated spending this money was voted upon in 2015 and has already been spent in effect, yet the Australian ballot is necessary because the amount here exceeds \$5,000. Johanne Gray asked whether this could be passed over. Steve responded in the affirmative. Johanne Gray moved to pass over the entire article, and Becky Auclair seconded. Steve stated that a pass over necessitates a 2/3 vote. A vote count was had. 51 voted in favor to pass over article 8, 4 voted not to pass over. The ayes have it. The article is passed over.

9. Shall the voters of the Town of Moretown vote to spend an amount not to exceed \$168,000.00 and arrange financing for the purchase of a dump truck to be used by its highway department? Voting to be by Australian Ballot. Polls open from 7:00 a.m. to 7:00 p.m. Lewis Roy asked why we need another dump truck when we already have four. Tom stated that one of the truck is not holding up well. Lewis Roy asked about getting warranties on the trucks. Tom Martin stated that moving forward we're going to try to do better with maintenance on the trucks.
10. Shall the voters of the Town of Moretown approve to spend an amount of \$31,250.00 to help the Mad River Valley Recreation District purchase the Kingsbury Mad River Park recreation field, contingent that the purchase price of \$550,000 is offset by at least \$425,000 in grant funding and donations, and that the purchase is also funded from all three other valley towns equal to or more than Moretown's contribution; and that at least one representative from Moretown be a voting member on the Mad River Valley Recreation Board for questions regarding the Mad River recreation field? Voting to be by Australian Ballot. Polls open from 7:00 a.m. to 7:00p.m. Lewis Roy asked about maintenance fees, and Tom Martin responded that the fees would be \$1,500 per town annually. Hoover Austin stated that we have enough fields here in Moretown and would not spend this money on more fields. Steve Robbins stated that these fields are critical to Valley residents and this is a good opportunity to secure the fields for the long term. Tom Martin stated that the amount would result in an increase of \$0.0125 - \$0.015 in the tax rate. Michelle Beard stated the Moretown children make up a substantial percentage of kids using the Mad River Park fields. Karen Sharpwolf stated this would be a tremendous loss if kids were to ever lose access to the fields. Jason Aronowitz opposes spending the money on the fields as the financial situation for the Town is tight. Eliza Cain stated that utilizing these fields helps keep kids active and on the right path. Hoover stated that people aren't looking at the big picture. Ali Compagna asked about changing demographics for the town and whether purchase of these fields would matter given the aging population. Dara Torre believes the recreational aspect of the Valley makes it attractive to younger residents. Dan Zucker stated that during the summer work week there are plenty of adults utilizing the fields, and its use is not limited to children.
11. Shall the voters of the Town of Moretown vote to change the delinquent tax penalty levied to a graduated commission schedule pursuant to 32 V.S.A. Section 1674 (3), to 4 % for the first 30 days following the tax due date, and 8% thereafter? Clarence Wood so moved and Johanne Gray seconded. Hoover Austin and Becky Auclair asked whether this was a change. John Hoogenboom responded that it was a change as it's been 8% from the day of delinquency before. There was no more discussion. The ayes have it.
12. Shall the voters of the Town of Moretown appropriate the sum of \$400.00 to help support the work of Capstone Community Action Inc., formerly known as Central Vermont Community Action Council, Inc.? Eliza Cain so moved and Karen Sharpwolf seconded. John Lynch worked with this organization and stated that it is a safety net for low-income people, including buying inexpensive cars so people can get to work, head start program and finding affordable housing to name a few. There was no more discussion. The ayes have it.
13. Shall the voters of the Town of Moretown appropriate the sum of \$500.00 to help support the work of Vermont Association for the Blind and Visually Impaired? Karen Sharpwolf so moved and Clarence Wood seconded. Karen Sharpwolf stated that this group will come to your home and help you in various vision services. There was no more discussion. The ayes have it.
14. Shall the voters of the Town of Moretown appropriate the sum of \$1,400.00 to help support the work of Central Vermont Council on Aging, Inc.? Dara Torre so moved and Clayton Wetzel seconded. Don Larocca asked if we ever get any feedback as to how effective these programs are. John Hoogenboom stated that there is information in the reports as to what they do specifically for Moretown residents. Don Larocca stated that the amounts requested seem to go up every year. There was no more discussion. The ayes have it.
15. Shall the voters of the Town of Moretown appropriate the sum of \$350.00 to help support the work of the Washington County Diversion Program? Clarence Wood so moved and Chuck Bert seconded. Lewis Roy asked what this program does. Jason Aronowitz asked why this program isn't supported by the State. Clark Amadon had personal experience with the program and spoke to the validity of the program helping keep first-time offenders out of the criminal justice system. Karen Horn stated that these organizations get some funding from the State but still need support from other entities to meet their budgets. John Lynch also spoke to the validity of the program keeping deserved people out of the criminal justice system. There was no more discussion. The ayes have it.

16. Shall the voters of the Town of Moretown appropriate the sum of \$150.00 to help support the work of Washington County Youth Service Bureau / Boys & Girls Club? Clarence Wood so moved and Eliza Cain seconded. Clarence Wood stated that this organization does a lot of good for both kids and families. There was no more discussion. The ayes have it.
17. Shall the voters of the Town of Moretown appropriate the sum of \$3,500.00 to help support the work of Central Vermont Home Health and Hospice? Clayton Wetzel so moved and John Schmeltzer seconded. There was no discussion. The ayes have it.
18. Shall the voters of the Town of Moretown appropriate the sum of \$1,200.00 to help support the work of Central Vermont Adult Basic Education? John Lynch so moved and Johanne Gray seconded. John Lynch stated this group will teach adults computer literacy as well help them get a GED and a driver's license. There was no more discussion. The ayes have it.
19. Shall the voters of the Town of Moretown appropriate the sum of \$300.00 to help support the work of Good Beginnings of Central Vermont? Eliza Cain so moved and Johanne Gray seconded. There was no discussion. The ayes have it.
20. Shall the voters of the Town of Moretown appropriate the sum of \$500.00 to help support the work of Family Center of Washington County? Dara Torre so moved and Eliza Cain seconded. John Schmeltzer stated that he has utilized these services before and they do great things. Karen Horn stated this group provides childcare services as well. There was no more discussion. The ayes have it.
21. Shall the voters of the Town of Moretown appropriate the sum of \$700.00 to help support the work of People's Health & Wellness Clinic? Eliza Cain so moved and Bob Graves seconded. There was no discussion. The ayes have it.
22. Shall the voters of the Town of Moretown appropriate the sum of \$200.00 to help support the work of Circle (formerly Battered Women's Services and Shelter)? Eliza Cain so moved and Clarence Wood seconded. Eliza Cain stated that this group as a 12-bed shelter and a 24-hour hotline. Karen asked Eliza how many calls the hotline get per month. Eliza responded that a staff of 6 people receive anywhere between 550-625 calls each month from people in Washington County. There was no more discussion. The ayes have it.
23. Shall the voters of the Town of Moretown appropriate the sum of \$400.00 to help support the work of Home Share Now, Inc.? Dara Torre so moved and Eliza Cain seconded. Dara Torre stated that this program helps match people who need housing with those who have extra rooms in their homes. There was no more discussion. The ayes have it.
24. Shall the voters of the Town of Moretown appropriate the sum of \$400.00 to help support the work of Prevent Child Abuse Vermont? Sasha Elwell so moved and Clayton Wetzel seconded. There was no discussion. The ayes have it.
25. Shall the voters of the Town of Moretown appropriate the sum of \$150.00 to help support the work of Sexual Assault Crisis Team of Washington County? Clayton Wetzel so moved and Peter Langela seconded. There was no discussion. The ayes have it.
26. Shall the voters of the Town of Moretown appropriate the sum of \$900.00 to help support the work of the Montpelier Senior Activity Center? Clarence Wood so moved and Dick Valentanetti seconded. Don Larocca asked why we are giving three different senior centers money. Clarence Wood stated that it is because Moretown is geographically spread out and residents go to these separate centers depending on their location. Deb Sargent stated that there are a significant amount of residents near Montpelier that get little benefit from other services funded by the Town. Dick Valentanetti spoke to the extent of the services the Montpelier center provides, including education and fitness services that the other senior centers do not provide. Don Larocca stated that maybe we should centralize the money in one center rather than all three. Steve asked whether people wanted to suspend the rules in order to discuss all three senior center articles at once. Karen Sharpwolf stated the articles are better separated due to the geographical nature of the town and that all three are important. There was no more discussion. The ayes have it.
27. Shall the voters of the Town of Moretown appropriate the sum of \$1,000.00 to help support the work of the Mad River Valley Senior Citizens Center? Steve Robbins so moved and Clayton Wetzel seconded. There was no discussion. The ayes have it.
28. Shall the voters of the Town of Moretown appropriate the sum of \$4,999.00 to help support the work of the Waterbury Area Senior Citizens Center? Johanne Gray so moved and Dara Torre seconded. Tom Martin moved to allow someone affiliated with the program to speak. Steve asked whether there was any objection to letting a non-resident speak as to this program. She spoke that this program served 17 different Moretown residents last year, including services such as meals on wheels and trips to medical appointments. There was no more discussion. The ayes have it.

29. Shall the voters of the Town of Moretown appropriate the sum of \$100.00 to help support the work of Green Up Vermont? Clarence Wood so moved and Bob Graves seconded. Clarence Wood asked whether this article could be amended to make it \$200 instead of \$100. Clarence Wood so moved to amend the article to fund \$200 and Deb Sargent seconded. Karen Horn stated that this group only is active for one day and the additional money won't do much. Clayton Wetzel stated the we should make sure the trash actually gets picked up. Jason Aronowitz asked why this is new this year. Karen Horn stated that its funds were diminished by the State this year and it needs to seek additional funding sources to meet its budget. As to the amendment increasing funding to \$200, the vote was 15 in favor and 27 against. The nays have it, the amendment fails. As to the original article of providing \$100 in funding, the ayes have it.
30. To do any other business that may legally come before the meeting. Eliza Cain asked about an update to the bridge. Tom Martin stated that it should be replaced by 2020 according to the State. This will be an accelerated construction schedule. The State presentation is on the website. Don Larocca asked about the capitol budget and investment. Clarence Wood thanked the Selectboard, the town clerk and the road crew. John Hoogenboom thanked Michelle Beard for her years of service to the Town as she is leaving the Selectboard. Clayton Wetzel moved to adjourn and Kyla Summers seconded. The meeting adjourned at 1:16 p.m.

Dated at Moretown, Vermont this 10th day of March, 2017.
