You may need to refer to the Zoning Ordinance to complete your application. The Moretown Zoning Regulations and all the forms application forms are available on line at www.moretownvt.org. You may use the office copy free of charge at the Moretown Town Clerk's Office or you may purchase a copy from the Town Clerk for \$10.00.

Application for Zoning Permit must be completed for ALL applications. Parcel ID numbers for your property may be obtained from the Town's Grand List Book. All land is located in some Flood Zone and maps in the Town Clerk's Office will assist you in determining what Flood Zone your property is located in (A, B, C). Determine the Zoning District (Village-VLG, Agricultural-AG-RES, Commercial-COM, Preserve-PRES,) for your land by looking at the Zoning District Map in the back of the Zoning Ordinance or on the large Zoning Map on the wall of the back room of the Town Office.

Notice to Abutters and Certificate of Service (Mailing): You need to mail a copy of the completed Notice to Abutters to each of those individuals or businesses who abut your property and obtain a CERTIFICATE OF MAILING from the Post Office as proof that you did so, OR you can complete the Certificate of Service and sign that before a notary public to certify that you notified the abutters. Please note that abutters are defined in the Zoning Ordinance and includes the owners of properties which are located across any public or private road and are within 200 feet of the subject property. That measurement is from and to property boundary lines - not buildings.

E-911 Street Address Instructions & Certificate of Compliance: When requesting a permit for a new or existing structure you must complete and submit this Certificate. No permit can be issued where there is an existing structure on your property until you have submitted this Certificate. If you have previously completed and filed a Certificate, you need not submit another.
