

**Town of Moretown
Planning Commission
Notice of Public Hearing – Town Plan Revisions**

The Moretown Planning Commission invites you to discuss the proposed Town Plan on Wednesday, November 12, 2025 6:30 p.m. at the Moretown Town Office. All interested persons are encouraged to attend and comment.

The Moretown Town Plan is a comprehensive long-range plan for the Town. It states objectives and policies to guide growth and development, and is intended as a framework upon which to base future actions and regulatory bylaws. The Planning Commission is proposing amendments to ensure the Plan is in compliance with statutory requirements and to reflect global changes since the Plan was last adopted in 2016. The Plan contains updates to the text of each chapter, including data and maps, as well as the goals, objectives, and strategies for each section. The proposed Town Plan affects the entire Town of Moretown.

The Moretown Town Plan contains the following chapters:

- Introduction
- Background
- Natural Features and Ecological Systems
- Moretown's Economy
- Housing
- Transportation
- Utilities, Facilities, and Services
- Energy
- Historic and Cultural Resources
- Flood Resilience and Hazard Mitigation
- Land Use

A full version of the plan is available for viewing at the Moretown Town Office and on the Town website (<https://www.moretownvt.org/moretown-town-plan/>). If you are unable to attend the hearing, written comments and suggestions may be emailed to zoning@moretownvt.net
