

**Town of Moretown
Energy Committee**

**Wednesday, November 20, 2013
Moretown School Library, Route 100B in Moretown Village
7:00 p.m.**

The Moretown Energy Committee will be meeting this Wed, Nov 20, at 7 pm in the Moretown School Library. We will be reviewing accomplishments to date, sharing energy related background information, and discussing plans for what the committee would like to accomplish in the coming year. Topics will include energy efficiency for residential, commercial, and municipal buildings (including the school), renewables (wind, solar, biomass, etc), transportation, and other topics of interest to the group.
