

Moretown Energy Group
Meeting Notes
Monday, July 12, 2010

Karen Horn convened the meeting at approximately 6:10 pm to hear a presentation from Randy Male of Citizen's Energy in Massachusetts about a potential for an industrial wind project on the Northfield Ridge in Waitsfield, Northfield and Moretown.

In attendance to hear the presentation were: Dave Van Deusen and Stephanie Venema, Moretown selectboard members, John Schmeltzer, Tom Horn, Nancy Notterman, Roger Maple, James Tabor, David and Avril Howe, John Williams and Kara Herlihy, reporters, Corinthia, Dan Brush, Michael Morelli, V. Wirth, Carole Chamberlin, Evelyn Goss, R Walter Clarke, Rita LaRocca, John Somers.

Karen Horn, Chair stated that this meeting was purely informational and very preliminary. She emphasized that before anything could happen with respect to such a proposal a lot of work would need to be done and questions answered for everyone affected. She also reminded attendees that the Moretown Energy Group is advisory to the selectboard.

Randy Male gave his Power Point presentation and answered question.

The meeting adjourned at approximately 8:00 pm.
