

**Moretown Planning Commission
Minutes
March 18, 2014
6:30 PM
Moretown Town Hall**

Present: Jonathan Siegel, Chair, Karen Horn, Deb Sargent, Rube Scharges, Bridgette Remington.

Guests: Consultant Brandy Saxton, CVEDC Executive Director Sam Andersen and Workshop Attendees

The Moretown Planning Commission hosted a planning workshop on the subject of fiscal health. The workshop was intended to help the planning commission as it works on updating the Town Plan.

Brandy Saxton facilitated a panel discussion including Sam Andersen, Executive Director of Central Vermont Economic Development Corporation and Tom Martin, Selectboard Chair. Participants then broke into two small groups to discuss the following questions.

Should we encourage more businesses in Moretown? If so what kind and scale? Where and where not?

Are changes needed to our current zoning for commercial and industrial development?

If Cell 4 of the landfill is approved, how should we manage future landfill revenues? If not, how should we prepare for a future without a landfill?

Should any town services be eliminated, reduced or otherwise changed to lower town expenses and taxes? If yes, what and how?

The workshop ended at 8:40 pm.

Respectfully Submitted,

*Karen Horn
