

**Moretown Planning Commission
Minutes
July 17, 2018
6:30 PM
Moretown Town Office**

Present: Planning Commission Members Jonathan Siegel, Chair; John Schmeltzer; Dara Torre

Guests: None

Jonathan called the meeting to order at approximately 6:40 pm.

Members discussed the recent select board hearing on the proposed subdivision regulations and next steps, to include a meeting with the select board, planning commission, and DRB in September. Concerns from a DRB member present at the hearing revealed the need for more collaboration and fine-tuning. Dara suggested reaching out the Central Vermont Regional Planning Commission for additional insight on subdivision regulations.

Discussion of the local hazard mitigation plan was deferred.

Dara made a motion to approve the minutes of June 19, 2018. John seconded the motion, which was approved unanimously.

Respectfully Submitted,

*Dara Torre
