

**Moretown Planning Commission
Via ZOOM
August 5, 2020**

Present: Jonathan Siegel, Chair, David Stapleton, Karen Horn

Guest: David Specht

Jonathan called the meeting called to order at 6:40 pm.

David Specht asked where the Planning Commission is in the process of amending the zoning ordinance. A discussion ensued of which amendments should be proposed initially. The Development Review Board asked for technical amendments to be put in place sooner rather than later and for a definition of ground mounted solar. The Planning Commission also discussed how to encourage solar in a responsible way and whether “variances” is a mechanism that should be rewritten to address solar canopies.

The meeting adjourned at approximately 7:30.

*Respectfully Submitted,
Karen Horn
