Moretown Planning Commission
Wednesday, June 21, 2023 6:30 pm**

In Person and On Zoom

Present: David Stapleton, Deborah Carroll, Karen Horn, John Schmeltzer

David called the meeting to order at 6:35.

One member of the public was present on Zoom – Travis Blodgett. Mr. Blodgett commented that no minutes had been posted for the June 7 meeting or a meeting in April. He further commented that he believed David Stapleton has a conflict of interest in discussing changes to the Class 4 Road and Trail policy for the town.

Karen acknowledged that she was tardy in sending the draft minutes for posting, providing them to the Planning Commission only today. There was no motion made to approve the minutes.

The Planning Commission completed its discussed the draft vision and goals to guide development of the next municipal plan.

At the next meeting the Planning Commission will consider the Table of Contents of the current plan and ways that the next plan could be made more succinct and readable. As well, they will consider what kinds of maps would best inform the public about the plan. A suggestion was made to put Section 3, About Our Town, in an appendix and also send it to the Historical Society for them to review.

Karen made a motion to have only one meeting in July, on the 19th. John seconded the motion, which passed unanimously.

John made a motion to adjourn at 7:40. Deb seconded the motion, which was unanimously approved.

*Respectfully Submitted,
Karen Horn
