Meeting called to order by John at 6:00 PM

Public Comment: there was none

Reports & Communications: Rae said that he did have a chance to speak with Clark Amadon regarding village wastewater. At this point putting out an RFQ is 100% SOV funded and it is just to find out if it is feasible.

Don will have the town hall/library committee at the next SB meeting.

There was quick discussion on the issues that were had with the Moving Light Dance Company and their three-day performance of the Nutcracker. There was much push back regarding the mask wearing or proof of vaccination. There was kitchen cabinet damage found by Megan when she cleaned. It was agreed that the deposit should not be returned to them.

Rae made the motion to approve the **SB minutes of 12/06/2021**. Callie seconded. All were in favor.

Old Business: John mentioned CVRPC contracting for the zoning position, Sasha reached out to Bonnie and she will be getting a quote back to the town. Rae has not heard back from E.F. Wall regarding the quote on the condensation issue at the town garage. Don would like the blinking lights put on the old business pending section of agenda, so that it is not forgot about. Don also reminded everyone about the January 14 webinar on the ARPA funds through VLCT that Katie Buckley is doing. He will forward the email to Sasha to forward onto the rest of the SB.

New Business: there was quick discussion on an email from Central Vt Economic Development, Sasha will respond to them with nothing new for Moretown.
